France as it is, not as it should be

Obituary

- 89 **P. Lal**
Doyen of Indian English

- 97 **Economic and financial indicators**
Statistics on 42 economies, plus closer looks at energy demand and remittances

Next week

We publish a special report on Japan. It is ageing faster than any country in history, with vast consequences for its economy and society. So why, asks Henry Tricks, is it doing so little to adapt?
